2 Like, I'm looking at Twitter & user reviews and there
  are a lot of people complaining about microtransactions
  even though they're not there.

9 I don't understand why people are so upset about
  microtransactions in South Park: The Fractured But Whole
  considering they do not exist.

11 @JDonahue79 @majornelson The reason people are clammering
  to older games is due to the current trend of
  Microtransactions and DLC.
